MARCH TEA *at* PINECONE COTTAGE

Niagara-on-the-Lake is a town with a long distinguished British history. Located in Ontario, Canada on the Niagara Peninsula, the bakeries are bursting with butter tarts, scones and custard pies. Some of my favorite clothing shops are here too: Valle Verde, The Owl and The Pussycat, and BeauChapeau Hat Shop. The area's landscape is speckled with vineyards and wineries.

This traditional Afternoon Tea menu is inspired by my visit to the whimsical Drawing Room in the Prince of Wales Hotel. This beautiful tea room transformed my getaway into a fairy tale where I reveled in an authentic English Afternoon Tea; sampling teas, succulent pastries, sandwiches, and scones.
